CHURCH OF ENGLAND HIGH SCHOOL

1<sup>st</sup> July 2014

Dear Parent/Guardian

One of our students in Year 9 has been identified as having a serious allergic reaction to deodorant sprays. This has now resulted in two major incidents where the emergency services have been called after an epipen had been discharged because of the allergic reaction. I write to inform you that as from today deodorant sprays are not to be brought into school – I realise that this may be seen as an extreme reaction but I am sure that you will appreciate the serious, life threatening situation which we face. I ask for your full cooperation in this matter and will be happy to discuss this matter with individual parents if required.

Yours sincerely

John Wood  
(Headteacher)
