Summer volunteering opportunities!

Ripon Museums

Would you like to gain valuable experience for your personal statement, CV, job applications? Have fun and meet new people at the same time?

You can develop key skills such as customer service, team work, negotiation and communication skills both verbal and written and data analysis by volunteering with Ripon museums this summer.

We are hoping to form a team of young people who can help us gather vital information from our customers by carrying out visitor surveys during the summer season.

You could volunteer with a friend, give a little or a lot of time, morning, afternoon, weekdays or weekends. Students must be aged 15+

Training and support will be available and we appreciate whatever time you can give to help us understand our visitors and make sure we continue to offer the best service we can.

If you would like to find out more about these interesting opportunities on your doorstep please contact Wendy Hunwick-Brown on 01765 607799 or email wendy.hunwick-brown@btinternet.com.
