

EXPECTATIONS

- You are an ambassador for the School. The future of the exchange programme depends on your excellent behaviour.
- Upon arrival, as a group, introduce yourself to the Principal and Head of Year. Thank them for having you.
- Upon departure, do the same.
- Always happily accept invitations to speak in class, give talks and give assemblies. Prepare. Smile.
- A smile and politeness are important.
- If you do not want anything to be different from Harrogate, don't go! You have been selected because you are positive and enjoy the stimulation of difference.
- At school, do any homework set.
- At home, offer to wash up, tidy up after a meal etc. Tidy and clean your room.
- Expect a normal family life. Do not be demanding about where you would like to go.
- Gossip. Occasionally when problems occur it is because problems have been discussed with a third party. Talk to your host family and exchange teacher. Do NOT discuss your problems with other people.
