

ST. AIDAN'S

CHURCH OF ENGLAND HIGH SCHOOL

5th September 2016

Dear Parents,

I am pleased to say that final decisions on 2016/2017 bus routes into both St Aidan's C of E High School and St John Fisher Catholic High School have now been finalised with some changes implemented to make them viable.

Therefore, please see below: -

Tower Travel

Route 9

Tower have bought a new bus for this route and as a result it will not be able to negotiate the bend between Barkston Ash and Church Fenton. Therefore, students who have previously been picked up from Church Fenton Railway Station will now be picked up from Church Fenton Primary School

Route 10

Tower Travel have arranged to drop students living in Boroughbridge, who have been unable to apply for a pass from Stephenson's, at a stop opposite Morrisons Superstore. Please note that this service is only available for the afternoon service and is not available in the morning. It is expected that children will arrive at this drop off point at approx. 16.30.

Atkinsons

Route 5

Dunkeswick, Weeton, Huby, North Rigton.

NB Most of this route is covered by Connexions as part of the X52 service

Please also note that Transdev offer a bus service from Bilton and Jennyfields to St Aidan's and St John Fisher

Please contact your local operator should you require any further information.

In the meantime, please continue to view our website as the operators continue to make adjustments in order to try and accommodate student requests

Kind Regards
