

November 2016

Dear Parent / Guardian

VISIT TO CERN – EUROPEAN ORGANISATION FOR NUCLEAR RESEARCH – GENEVA

Thank you for your replies showing interest in the above trip. We are pleased to inform you that we can now proceed with the planned trip to Cern in Geneva as we have 26 pupils who have shown interest in going. The planned dates for the trip are Sunday 23rd July – Thursday 27th July with at least one full day at Cern. We will also incorporate various activities during the trip including visits to the United Nations and the Red Cross. Once we have received the deposits we can confirm the itinerary for the trip.

The cost of the trip will be £590.00. We would be grateful if you could make a deposit payment of £150.00 by Friday 25th November. The deposit is nonrefundable unless a replacement person can be found. The preferred method is by parent pay but we will also accept a cheque (made payable to St Aidan's school fund). If you are paying by cheque then please complete the consent form below and hand into the finance department at St Aidan's or the main reception marked for finance. The second payment will be for £220.00 on Friday 3rd February with the final payment of £220.00 due on Friday 5th May.

All pupils will require a full passport and EHIC health card. If your passport is not a British passport then it is your responsibility to get the appropriate visa for the trip.

Yours faithfully

J Wilson
