General Information

Conference

A reminder that the Conference takes place on Monday, Tuesday and Wednesday afternoon. It is very important that you arrive on time to registration on Monday to get your individual printout of activities. There are a lot of outside speakers coming into school so please dress appropriately and engage positively in all activities. Lessons are as normal on Wednesday morning, Thursday and Friday.

Peer Listening

Thank you to those students who have signed up to peer listening. The deadline was Friday 16 June. We have had a lot of interest but we still need more students to sign up so all forms can be assigned peer listeners, especially boys. It looks great on your CV and is just one lunchtime a week from September-October. If you are still interested we are going to extend the deadline until the end of the school day Tuesday 20 June. Please keep an eye out for the training dates which will be up in the Sixth Form café by the end of this week and in tutor folders. Training will start the week commencing 26 June. Thank you for those who have already volunteered. Any questions come and see Miss Waters in Psychology.

University visits

A reminder to please bring a letter in from home in advance of university visits. You are allowed to attend 3 university visits during school time, additional visits will need to be made at the weekends.

Induction events

Thank you to those students who came to the café meeting on Wednesday morning. We need a large number of students to help with the 2 Induction days so please sign the list in the café if you can help period 2 Monday 26 and or period 2 Tuesday 27 June. This will involve showing new students around school.

Lanyards

Please make sure that you wear your lanyard at all times.

- If you have lost your ID card please order a replacement from the Finance Office
- If you have a card but it doesn't work, take it to the Network Office and ask them to investigate.

Thank you
