

# ST. AIDAN'S

CHURCH OF ENGLAND HIGH SCHOOL

March 2018

Dear Parent/Carer

## Year 9 Curriculum

Due to national changes that have been introduced at Key Stage 3 and Key Stage 4, the year 9 curriculum at St. Aidan's includes increased time for English and Maths and a choice in the creative and technology subjects that are studied.

Of the following six subjects that have been studied in year 7 and 8, four need to be selected for continued study in year 9. The two subjects not selected will not be studied in year 9.

- **Art** (Creative)
- **Music** (Creative)
- **ICT & Computing**
- **Food & Nutrition** (Technology)
- **Product Design** (Technology)
- **Textiles** (Technology)

It is important that students study a broad and balanced curriculum so we ask that students select at least one Creative subject and at least one Technology subject (as shown in the brackets). Students will continue to study English, Maths, Science, PE, RS, History, Geography and Languages.

Yours sincerely

Chris Ives  
Deputy Head
