Key Stage 3 Parents' Information Evening Wednesday 28th November 7.30pm

Dear Parent/Carer

Key Stage 3 Parents' Information Evening

We hope your son/daughter has made a positive start to the academic year and that the benefit of the summer holidays has not quite faded as yet.

We are conscious that with the advent of the reformed GCSEs, and the introduction of the new 1-9 grading, the curriculum has become more complex for students and parents. To support you and your child as they embark on their studies we would like to invite you to our Key Stage 3 Parents' Information Evening on Wednesday 28th November at 7.30pm in Constance Green Hall.

We will use this evening to explain how we have adapted our assessment and reporting structures to inform you of progress through Years 7-9. We will also discuss the difference between grading in the reformed GCSE courses that your son or daughter will be taking.

The English and Maths departments will be present to outline the ways they have developed their Key Stage 3 programmes of study in order to support these developments, and deliver information as to how you can support at home.

Presentations will start at 7.30pm following which there will be an opportunity to discuss any questions with the staff present.

Yours sincerely

Kate Douglas
Assistant Head
