Dear Parents

Oxford Open Day trip (2 to 4 July)

To help students find out more about studying at Oxford we are organising a visit to the University's annual open days.

We will travel to Oxford by coach on Tuesday 2 July leaving the main car park at St Aidan's at 10:30 am. Students will spend a night at their first College so that they are in place for the open day on Wednesday 3 July. To gain the maximum benefit from the trip, students will spend the first night in one college and the second in another. Experiencing two colleges will broaden their experience of University life and help to inform their application. This means students will switch colleges during the Wednesday afternoon. Students will then have Thursday morning to attend more open day activities. We will leave Oxford around 1pm on Thursday 4 July and should arrive in Harrogate between 6pm to 6.30pm. Note that this trip starts from and returns to the main car park at St Aidan's.

Colleges will only allow a small number of students from one school to stay at any one time. Accommodation will thus be spread over a number of different colleges over the two nights. There will be two members of staff in Oxford during the trip: one from St Aidan's and the other from St John Fisher. It may not be possible, therefore, to have a member of staff staying at each college with the students. However, mobile numbers will be distributed for students to contact staff if necessary. In this context students must co-operate fully with staff. There will be considerable onus on them to take responsibility for their behaviour: students should not go anywhere alone, they should meet at the required times and they should be in their room no later than 10.30pm.

To cover the costs of transport, accommodation (for two nights) and meals in Oxford we need to request a voluntary payment of £70.00. If making this payment is not possible, every effort will be made to allow someone to go (although should too many be unable to pay the trip would become unviable). Further spending money should be taken at your discretion (for example, to buy lunch on the journey down).

It is important to note this trip operates a zero tolerance approach to alcohol. We reserve the right to send home any student who we regard as having breached this rule. In some cases this may require contacting parents to collect their son / daughter. The Head Teachers of both schools would like to make clear that failure to observe this rule will potentially jeopardise a student's place in the Associated Sixth Form.

The Open Days are popular events. We therefore need to know exact numbers as soon as possible. If you would like to reserve a place on the open day and agree to the terms of the trip, then please return the consent / booking form by **Friday 22 March 2019** to the Finance Office at St Aidan's and make payment on ParentPay.

If you have any questions, please contact us either at St Aidan's or St John Fisher's.

Yours faithfully
