

YEAR 13 COURSEWORK ONE: ORGANISATIONAL GUIDE

This is a guide to help you progress your project over the next five months. It provides you with a timetable of work for class and homework activities. This guide outlines the minimum requirements set out by the board in order to fulfil the assessment objectives. You will need to ensure that all work is up to date and homework pieces are completed to the highest standard including response to feedback. If you are absent when homework is set the list is to be followed and completed by the end of project deadline.
