

## **ST AIDAN'S CHURCH OF ENGLAND HIGH SCHOOL 16 – 19 BURSARY FUND POLICY 2017/18**

The key priority for the Government is to close the gap in attainment between those from poorer and more affluent backgrounds, and to ensure every young person participates in and benefits from a place in 16 to 19 education or training.

The 16-19 Bursary Fund targets support towards the most financially disadvantaged 16 to 19 year olds who need help with the costs of staying on in education.

St Aidan's School will determine the eligibility criteria for discretionary bursaries, and the frequency of and conditions for payment for all awards. The 16-19 Bursary will only be awarded to a student that is eligible and facing genuine financial barriers to participating.

### **Eligibility**

To be eligible to receive a 16-19 Bursary in the 2017-18 academic year, the student must be aged 16 or over and under 19 on 1<sup>st</sup> September 2017.

<https://www.gov.uk/government/publications/advice-funding-regulations-for-post-16-provision>

## Assessment

The \*\*Bursary Awards Panel will assess each application with supporting documentation in the strictest confidence. Any student, who believes they are eligible for any level of funding from the 16-19 Bursary Fund, should complete an application form, available from the school website [www.staidans.co.uk](http://www.staidans.co.uk) and hand it in to the Sixth Form office as soon as possible and by September 30<sup>th</sup> 2017 latest. A student in receipt of any level of bursary must inform the Sixth Form office of any changes to family circumstances that may affect the support during the academic year. Students who become eligible during the academic year should contact the Sixth Form office and make an application.

Successful applications will be notified by email no later than the end of the first half-term.

## Attendance and Behaviour Requirements.

Claims will only be paid to eligible students who adhere to the following criteria.

To receive the Bursary, students should have no unauthorised absences. It is our expectation that students will attend registration periods, supervised study and all timetabled lessons. Please note holidays will not be authorised absences. Approved Examination Study Leave, participation on approved educational trips, or approved representative activities will be counted as attendance.

If students are unacceptably late to lessons or registration, then these will count as an absence and therefore no reimbursement will be made for that half term.

Students must abide by the standards of behaviour and effort as agreed at the start of their learning programme as detailed in the Sixth Form Student Planner. If poor behaviour or effort is reported and supported by documentary evidence, the student will not be paid for that half term.

## **Appeals**

**Eligibility** – Parents, guardians and students will have the right of appeal to the **\*\*Bursary Awards Panel** in all cases if it is felt the application has been withheld without justification.

**Issue with Payments** – As payments are made directly to the student concerned it is therefore the student who must contact the school in case of difficulty and not the parent. Students will have the right of appeal in all cases if it is felt the payment has been withheld without justification.

In the first instance the student should explain to the Finance Office within one school week, with supporting evidence if appropriate, why the payment should have been made. If the decision to withhold payment is upheld then the student may appeal to the Governors' Welfare Committee. This is the final appeal and must be made within one further week.
