Careers Information

Interested in applying to Conservatoires, Music, Dance and Drama Schools?

Then please come along to a talk on how to do so in the Careers Department on Tuesday 3 July at 1.00pm to find out about how to apply and the different application processes.

Interested in Accountancy?

Consider attending an Accountancy Academy in Leeds on 18 and 19 July. To book a place please go to <https://zq345-2cacef.pages.infusionsoft.net>

Summer School for Students interested in Technology

NDL Software in Wetherby are hosting a free summer school to give students an opportunity to work with industry professionals to bring business mobile apps to life and gain an insight into the Tech Industry. This will take place from 23 to 27 July. For more details, please contact the Careers Department.

Harrogate Chamber of Trade Meeting

Harrogate Chamber of Commerce is hosting one of their monthly meetings in Constance Green Hall on Monday 9 July 6.15pm - 8pm, any students interested in Business and Economics would be welcome to attend. There will be a chance to hear from Harrogate Borough Council who will address two major issues relating to the business health of the town:

- The latest news relating to the town's policy on new housing developments and the problems presented by high rents and the lack of affordable homes for many of Harrogate's key support workers in the Hospitality and Allied Health Care industries.
- As online shopping is challenging traditional and independent retailers across the country, HBC will also be presenting their plans for the coming months and years to support Harrogate town centre shop owners and keep the town centre alive.

This meeting will present an opportunity to hear from Yorkshire 2019 Ltd, the organisation involved in preparing for the **UCI Road World Championship** cycling event coming to Harrogate for just over a week in September 2019. Local businesses have already expressed concerns about the impact of the associated road closures on trade and will be able to ask questions about the practical side of the plans. If you are interested in coming along and/or helping at this event, please email Marian Farrar - m.farrar@staidans.co.uk

General information

Induction events

Thank you so much to all Yr 12 students who supported the recent Induction events. The feedback we got from visiting students was amazing and we couldn't have managed without you all willingly helping out.

Absences

If you are out of school on any activities, trips or university visits please make sure the Sixth Form Office are aware so they can amend your attendance accordingly.

Thank you
