

## FAREWELL TO YOU ALL

On Wednesday the students from St Aidan's, Taunton, UK and Lower Canada College enjoyed the day at the Enchanted Garden on the Mornington Peninsula. Students spent the morning tree surfing through the eucalyptus trees and on the climbing wall.

Adjusting harnesses, helmets and safety instructions before heading to the first gate.

Course number one –  
here we come !

Latched on and scooting up the climbing wall.

rope course for the  
morning.

The students went through five different ropes courses and had to learn to latch on and off using the carabiner and a figure 8 attachment to keep them safe at all times.
