

ST. AIDAN'S

CHURCH OF ENGLAND HIGH SCHOOL

March 2019

Dear Parent/Carer

We find it necessary to remind our parents and carers that term time dates and school holidays are published on our school website.

We are bound by government legislation, and follow DfE guidelines, and must ask that students do not take holiday in term time.

There has been a slight increase in request for holiday during school term times, which is detrimental to the education of your child and puts us in quite a difficult position. I would therefore ask that parents are mindful that appointments and holidays are taken outside of school time.

Yours sincerely

John Wood
Headteacher
