Dear Parent/Carer

**KS4 Information evening**

As you will know from the letter received last week from Mr Margerison regarding key Year 10 dates, the first of these is next Thursday (3rd Oct) at 7.30pm in Constance Green Hall. This is our Key Stage 4 information evening.

The presentation should last around 45 minutes. The intention is to explain our assessing and reporting systems in Years 10 and 11 and to pass on key details about the reformed GCSEs and the implications of these for pupils, teachers and parents/carers. We will also hear from the Heads of Maths and English, respectively, and from Mr Margerison as Head of Year.

This information evening is aimed primarily at parents/carers, as pupils in Year 10 will have heard a similar presentation in school during assembly time. Pupils are, of course, welcome to attend if you would like to bring them along with you.

We hope that you will be able to join us next Thursday. If you have any questions about the evening, or about the GCSE courses in general, please don’t hesitate to get in touch on the school telephone number or at r.mcquire@staidans.co.uk

Yours sincerely

Ruth McQuire
Assistant Headteacher
