

Year 11 support for students:

Year 11 should always feel that they can access help from their teachers; a quick conversation at the start/end of lessons is often enough to resolve outstanding questions; some teachers will suggest meeting outside class if they think it will help.

Further help may be sourced from revision guides, text books and on-line support. Details of these resources were sent in the Autumn term and are on our school website [here](#).

Some departments will run a regular, scheduled drop in or revision classes during lunch or after school. These may have a specific focus or be led by students' questions.

Those currently in existence or planned are:

SUBJECT	DATE from/to	location	Day	Time	Type of session
Art (Fine)	Ongoing	AR3	Every day	lunchtime	Supported student work
Art (Fine)	Ongoing	AR3	Mon, Wed, Thurs	15:35-16:35	Supported student work

PE	TBC	TBC	TBC	afterschool	Revision
Physics	Ongoing	PH4	Tue	12:45-13:25	'Drop in' for GCSE Physics

In addition to subject support, students can always seek advice about the details of the GCSE exams (eg tiers of entry, dates, clashes) from Mrs Mahoney, our Exams Officer.

Pastoral advice and support can always be sought from your son/daughter's form tutor, Dr Holt (Head of Year) or Mrs King (Pastoral Intervention Manager) in the first instance.

Wider issues regarding timetables and curriculum, or any other concerns, should be directed to Mrs McQuire (Assistant Headteacher) and/or any other member of the Senior Leadership Team.
