Year 13 - Important information regarding results and Clearing

What to do when you get your results - please see <https://www.staidans.co.uk/wp-content/uploads/2020/07/Year-13-Results-What-Next....pptx.pdf>

Clearing Plus

This a service offered by UCAS which is available for students who:

- Are not currently holding any UCAS offers.
- Have changed their minds about their firm and insurance choices and wish to seek alternative options.
- Are placed into Clearing on results day.

Clearing Plus aims to match unplaced students to courses with vacancies based on their application details. If you are eligible for Clearing Plus:

- A new button will appear in Track called '*View matches*'. By clicking on this you can start browsing courses that UCAS has matched you to.
- If you find a course you want to be considered for, click '*I'm interested*' button, and your details will be passed to the university or college.
- If the university or college still has places, they may contact you to discuss things further and/or to make you an offer.
- If you receive an offer you then add it as a Clearing choice so that the place can be confirmed.

Although Clearing Plus is designed to enhance the process of finding another place, it is important that you remain proactive - you can contact universities and colleges directly to enquire about course vacancies.

General Information

UK Parliament Online Workshop – Tuesday 14 July 11.00 – 11.45am

The Politics Department has arranged a workshop with Parliament to show you the inner workings of government straight from Westminster. This Parliamentary event will guide you through the complicated process of running the country during a pandemic and you will have the opportunity to ask questions and contribute to discussions. Places are limited so please sign up here: [Parliament Workshop.xlsx](#)

Those that are allocated places will be emailed the link to access the workshop. Not only is this an excellent opportunity to further your understanding of government but it is also the chance to further strengthen your UCAS application. If you have any questions please email Miss Reynard or Dr Murray.

Year 13

Thank you to those of you who have purchased a ticket for the Ball. Please could you let the Sixth Form office know your menu choices if you haven't already done so. Although it may not be the summer you had planned we wish you all a safe, healthy and relaxing summer break.

Year 12

Thank you for the amazing way you have conducted yourselves in school during the past month. You have been absolutely superb. It has been a very challenging few months for all of us and we are so proud of the work you have been doing at home. Don't worry if you are a little behind, catch up over the summer. If you are a long way behind or not doing anything please think about what you need to do and why. Be honest and ask for help at the start of this week so that you are clear what you need to do before September. Although it may not be the summer you had planned we wish you all a safe, healthy and relaxing summer break and look forward to welcoming you back into school in September.

With best wishes, keep well and look after each other.
