UCAS and Personal Statement Workshops

If you still want to attend a UCAS Apply and Personal Statements workshop please note that there are only a few sessions available before the end of term. So, don't delay and book your place today!

Contact careersstaff@staidans.co.uk with your preferred day for the week commencing 6 July.

Interested in Veterinary Science, Medicine or Dentistry?

Then attend the UCAS virtual exhibition to explore these subjects and careers further on 23 July from 7.00am to 23.00pm. An opportunity to speak directly to university subject and admissions specialists via 1-2-1 or group chat, listen in on topical seminars, and pick up digital prospectus' and other information.

Eton College - Free self-study courses

Eton College are delivering a range of self-study courses known as EtonX and have offered our students access to do 3 of these courses free of charge on the following topics:

- **Creative Problem Solving** - <https://learn.etonx.com/courses/course-v1:EtonX+CPSSS+2019/info>
- **Research** - <https://learn.etonx.com/courses/course-v1:EtonX+RSSS+2019/info>
- **Making an impact** - <https://learn.etonx.com/courses/course-v1:EtonX+MAISS+2018/info>

Students who want to do one or all of these courses must contact the Careers Department at careersstaff@staidans.co.uk ASAP for login details and an access code. The courses are only been offered free of charge during July 2020.

Big Bang Digital 2020 – Science, Engineering & Covid-19

A free, online event on **Tuesday 14 July** that celebrates the amazing work of scientists and engineers in a pandemic. Share and learn from their achievements, challenges, innovation and collaboration, and explore some upsides to lockdown. For more details please see <https://www.digitalbigbang.co.uk/>

[Home | BigBangDigital 2020](#)

Meet student design engineer, Josh Mitchell, who has been helping get 3D printers into hospitals in Africa, so they can print their own PPE. Whilst still at school, Josh, who is about to graduate from Stanford University (USA), entered his 'PlyBot' project into the Big Bang Competition as he aimed to prove you could build a cheap but effective 3D printer.

Maths meets Arts Festival - 6 - 9 July

A festival of talks, activities and workshops sharing recent and ongoing collaborations between mathematicians and artists on topics such as maths and games, music, dance and creativity. For more details please see <https://sites.google.com/view/mathsmeeetsart/home>

General Information

Reminder - Please note the location of the learning resources:

- At St Aidan's all work can be found on Moodle [click here](#).
- At St John Fisher the work can be found via the homepage news feed [click here](#).

There are also the Core Learning resources which have been available throughout the year.

If you need to reset your Moodle account please e-mail moodle@sasjf.uk and someone will come back to you.

Year 13 Leavers' Ball - Saturday 19 December 2020

Last day to purchase a Ball ticket is **Friday 3 July**. If you have paid for a ticket via ParentPay please make sure you e-mail your choice of main course (Chicken in White Wine Sauce or Butternut Squash Risotto), any dietary requirements and who you would like to sit with to sixthformoffice@staidans.co.uk by **Wednesday 8 July**. Tables seat a maximum of 12 people.

With best wishes, keep well and look after each other.
