Careers Information

Careers Appointments

Career Advisers are available to see Year 13 students who need information, advice and guidance on their Post 18 Options be that university, college, apprenticeships or plan a gap year. Students can make an appointment by calling up to the Careers Department, emailing us at careersstaff@staidans.co.uk or phone 01423 818534.

UCAS Applications

The deadline for handing in your UCAS application was Thursday 15 October. If you have not already done so, please ensure that your UCAS application is handed in as soon as possible **before** half term.

Thinking of becoming a Barrister? Register for this free opportunity during Half Term

The Inner temple are hosting an online Discovery Day for School Students on Friday 30 October 1pm-4.30pm including:

- Q&A panel discussion on progression to and life at the Bar.
- Interactive workshop looking at a variety of legal exercises to give you an insight into being a barrister.

This is a brilliant opportunity to learn from professionals in the industry, and ask any questions you have on the realities of being a barrister. All places for this day are free, and it will be held online via Zoom.

Sign up here: <https://innertemple.typeform.com/to/POXLRwmF>

Gap Year Opportunity with IBM

IBM are offering 12-month Internships in Business and Technology for students who want to gain experience in these areas before university or apprenticeships. Starting salary is £18,000. Interested in Civil Engineering?

The Institute of Civil Engineers is running a series of webinars throughout October and November for anyone thinking about civil engineering as a career or wanting to research the profession.

Each webinar will run live from 11.00 – 12.00 on the following dates but will also be available to watch again via YouTube. Click on the links to register or for further information

- 8 October – [Why civil engineering? Saving lives](#)
- 22 October – [Why civil engineering? Designing and building the future](#)
- 5 November – [What is it like being a civil engineering university student?](#)
- 19 November – [What is it like being a civil engineering apprentice?](#)
- 3 December – [How do I become a civil engineer? How to apply and how to get an ICE QUEST scholarship](#)
- 10 December – [Meet an engineer in Yorkshire and Humber](#) an additional, interactive session featuring Yorkshire and Humber, engineers, talking about their jobs and their routes into the profession.

University Virtual Open Days

As most open days are now virtual this video produced by Bangor University may help you get the most out of a virtual open day as it offers some useful hints and tips <https://youtube/4alx721DkOw>

Exam Information
