It is ESSENTIAL that students wear their lanyards and bring ALL the equipment they will need for their exams (in particular calculators and rulers) as due to Covid restrictions we will only be able to supply spare equipment in an emergency (e.g. your pen runs out mid exam etc). Do check with your Subject Teachers as to what you will require for your exams.

Please arrive 15 minutes prior to the start time of your exam. Morning exams begin at 9.00am and afternoon exams at 1.30pm. Students are reminded that they are expected to attend all lessons when they are not in exams.

General Information

Year 12 have use of the café this week and if you are free P3 please get your lunch at the end of P3 as all Year 12 need to vacate the café by 12.45 to enable the Year 13 students to have lunch before mock exams in the afternoon.

Conduct and Gatherings

Thank you to the vast number of students who are supporting the schools in these current challenging times. We expect all students to respect the one-way system and Covid secure systems in place at both schools and to act as role models for younger students.

Outside of school, when moving between sites and especially at lunchtime, it is vital that students remain in groups of 6 or less. In addition, students must be polite and respectful when coming into contact with members of the public, moving to one side on paths. Every single Sixth Form student needs to play their part and take responsibility for their own actions, remembering at all times that they are representing the Associated Sixth Form.

Thank you
