

Careers Department Notices

w/c: 15th February 2021

Higher Education

- **Year 13—[UCAS Extra](#) opens on 25 Feb**

Eligible students can use Extra if they included five choices on their application and been rejected by all, or if they have declined the offers they received. Click on the link above for further information

- **[Study in Scotland](#) virtual event, Wednesday 3 March, 4pm**

Register to find out more about the key differences between studying at a Scottish university and the rest of the UK

- **[In2science Summer Programme](#)**

An opportunity for Year 12 students to participate in a free, 3 week programme to gain experience and insight into STEM careers. Check eligibility criteria and apply using the above link

- **STEM Lecture Series, University of Leeds**

Held every Wednesday between 24 Feb—31 March, the series explores some of the topics taught in an undergraduate degree. Register by 17 February at: www.stem.leeds.ac.uk/stem-lecture-series/

- **[Cyber Security Lecture](#), 17 Feb, 4-5pm**

For students considering a career in cyber security, the COO of NormCyber will be offering an overview of the industry in this virtual event. Register using the above link

- **[University of Sheffield Subject Taster Days](#)**

Multiple virtual events are available through March across subjects ranging from Adult Nursing and Medicine, through Languages and Cultures, to Music and Economics and English. Register your interest using the above link

Employment and Apprenticeships

- **[Covance Apprenticeships](#)**

Opportunities are available in their science, supply chain and operations and administration divisions. Visit the link for further information

- **[Degree Apprenticeships Discovery Day](#), Thursday 18 Feb, 2-3.30pm**

Join Pearson Business School online to gain an insight into their Chartered Manager Degree Apprenticeship programme

Virtual Opportunities

- **NEW Virtual Work Experience opportunities**, taking place during the Easter holidays, have been added to the [Work Experience section](#) of the school website. Placements are on offer across many industry sectors including technology, energy, engineering, economics, architecture, finance, countryside management and city planning - plus several to coincide with Green Skills Week around climate change, environment and sustainability.

Many are 1 day 'insight days' and all would be a fantastic opportunity to gain insights and perspective on your future career.

Places are limited so register asap!

STOP PRESS

Year 13 - Applying for Student Finance

Please see [this link](#) from the University of York on government loans and funding for the 2021/2022 academic year.

A helpful [video](#) has also been produced by Newcastle University

[Virtual Physics Work](#)
