Home Testing

Thank you to those who are continuing to do their Covid tests at home. Remember to report your home test result each time: to St. Aidan's at <https://hometest.staidans.co.uk> and to NHS Test and Trace at <https://www.gov.uk/report-covid19-result>. If you need to report a PCR test result, please use the covid@staidans.co.uk email address. Reporting can be done at any time, including out of hours at covid@staidans.co.uk and it is important that positive results especially are reported as soon as possible, anyone who tests positive must start self-isolating immediately.

Please also **remember that negative home test results do NOT change the requirement to follow all other Covid control measures**, including that no-one should be in school if they, or anyone in their household(s) or support bubble, have any of the coronavirus (Covid-19) symptoms, or if they have been in close contact with someone who has tested positive.

Registering to vote – a note from a Student

In light of the upcoming local elections happening in May it is important to encourage everyone who will be 18 by 6 May to register to vote. Registering to vote will give you the chance to have your voice heard in Local Government elections and referendums as well as the Police and Crime Commissioner elections that are being held on the 6 May and enforce change in the way our country is run. If you wish to vote in these elections then please register to vote using this website <https://www.gov.uk/register-to-vote> by the 19 April at 11:59pm. Please note that although you can only vote once you turn 18 you can register to vote when you turn 16, giving you the opportunity to vote in upcoming elections as soon as you are of age.

Take care and keep well

Thank you.
