

ST. AIDAN'S

CHURCH OF ENGLAND HIGH SCHOOL

Dear Parent/Carer

Year 9 Curriculum

Moving from Year 8 to Year 9, we start to give pupils some element of choice in their curriculum. Of the following six subjects that have been studied in Year 7 and 8, **four** need to be selected for continued study in Year 9. The two subjects not selected will not be studied in Year 9.

- Art (Creative)
- Music (Creative)
- ICT & Computing
- Food & Nutrition (Technology)
- Product Design (Technology)
- Textiles (Technology)

It is important that students study a broad and balanced curriculum so we ask that students select at least one Creative subject and at least one Technology subject (as shown in the brackets). Students will continue to study English, Maths, Science, PE, RS, History, Geography and Languages throughout Year 9, before choosing GCSE options to start in Year 10.

Please [complete the online form](#) to let us know which subjects your child would like to do in Year 9.

The form needs to be completed and submitted online by **Monday 17th May 2021**.

Thank you.

Yours sincerely,

Kate Douglas
Assistant Headteacher

Headteacher: Mr C Burt
