Level 3 (A level)

As Campaign Coordinator, you will take overall responsibility for the administration and quality control of all advertising Campaigns allocated. This is a great opportunity for the right candidate.

Duties may include:

- All Campaigns are confirmed and locked and paperwork provided to accounts ready for invoicing
- Site details and digital elements are added to each booking where required
- Audit files are run by the due date
- Any queries/problems/omissions with any bookings are communicated to the Activator on a timely basis
- Despatch files provided to Poster Collation Despatch Company
- Design allocations generated and given to Vendors where required
- Reports generated for Campaign inspections set up when requested by Client
- Providing any reports that may be requested by the Activators as the new digital technology & reporting systems come online
