

ST. AIDAN'S

CHURCH OF ENGLAND HIGH SCHOOL

Summer School 2021

Programme

St Aidan's Summer School ran from Monday 16th August to Friday 20th August (inclusive).

The Summer School activities were based solely at St. Aidan's Church of England High School and all the activities were led by our staff. No external providers were used in to deliver the programme.

The programme was a mixture of core learning and enrichment activities; all with a strong focus on familiarisation with the new secondary school environment, learning confidence, socialisation and fun.

English and maths sessions were planned by our KS3 English and maths coordinators, with the activities designed to build on existing skills, whilst introducing new ideas and concepts for learning at KS3.

The incoming students were also able to anticipate in enrichment activities in art, textiles and sport. Sports activities included footgolf, tennis, rounders. In art, the students participated in Matisse Collage, Zentangle patterned fish, imaginary drawings and character design.

All students visibly grew in confidence as the days progressed; it was a joy to see friendships form and learning being enjoyed. Many students asked if they could come back the next day!
