Apprenticeships / What you need to know about apprenticeships

# DEGREE APPRENTICESHIPS

Explore this section

A degree apprenticeship gives you the opportunity to gain a paid-for degree while getting industry experience and earning a salary.

## What are degree apprenticeships?

A degree apprenticeship enables you to gain a full undergraduate or master's degree while you work. Degree apprenticeships take three to six years to complete, depending on the course level.

...and most of your time working and you'll also study part-time at university. For ... university one or two days per week, or in short blocks, such as a ... of your time studying vs. 80% of your time
