

16-19 BURSARY FUND APPLICATION FORM 22/23

Closing date Friday 30 September 2022

Applications

A key priority for the Government is to close the gap in attainment between students from less fortunate and more affluent backgrounds, and to ensure every young person participates in and benefits from a place in 16 to 19 education or training.

St. Aidan's School is in receipt of government funding for the academic year 22/23 from the 16-19 Bursary Fund. The purpose of this funding is to help students overcome the individual financial barriers that they may face to participate in and complete their Post 16 Education. Examples of financial support, which may be granted, are help with the cost of transport, school meals, books and equipment and business wear.

Although funding for 22/23 has been confirmed, it should be noted that this is awarded on an annual basis, and we cannot guarantee that funding will be available at the same level in future years.

Applications are invited from students who meet the eligibility criteria (set out below).

Consideration will be given to students' individual needs and circumstances. As a result, some applicants may receive lower allocations than others. The 16-19 Bursary will only be awarded to a student that is eligible and facing **genuine financial barriers** to participating in Post 16 education.

If you think you may be eligible to apply for a Bursary, please complete this application form as soon as possible (and by 30 September latest) and submit it with your supporting evidence to the Sixth Form Office.

Any queries in connection to the application should be directed to 1619bursary@staidans.co.uk

Claims and allocations

You will be advised of the outcome of your application by email (to your school email address) and if successful, the amount of the award. Notifications will be sent no later than 14 October 22.

Once your award has been advised, you will be able to submit claims using the 22/23 Bursary Claim Form available from the Sixth Form office and the [website](#). Payments will be made into your nominated bank account and details will be requested once your application has been approved. Please note, the account should be in the student's name.

Claims must be accurate, complete and include the original receipt. Full details are available in the 16-19 Bursary Policy for 22/23 from the school's website.
