We are very excited to continue our planning for the tour and I now need a copy of your child's passport. Please email me a copy by **Monday 19 December 2022** as the airline now requires this information for our group booking. Please type **YEAR 12 PHYSICS PASSPORT** in the subject line of your email.

If your son/daughter holds a passport other than one issued by the UK Passport Agency, please note that it is your responsibility to check if they require a visa to travel to Geneva.

Could I ask you to check that your child also has an in-date EHIC/GHIC card and if not, please apply for one as soon as possible. Students will also be covered by our school travel insurance

Please do not hesitate to contact me if you need any further information about the trip
