

St Aidan's & St John Fisher Associated Sixth Form

St Aidan's Student Weekly Notices Week (1) commencing 16 January 2023

Assembly

Year 12 – **Virtual** assembly – Tuesday 17 January - RAB

Year 13 – **CGH** assembly – Thursday 19 January - RAB

Living Well - 18 January

Students should go straight to CGH at 1.30 where they will be registered. Alcoholics Anonymous are delivering a presentation to students during this lesson. If being in such a talk may prove distressing to students, then they should speak to their Senior Tutor in advance of the session and arrangements will be made for them to work in the Library instead. In terms of preparation students may want to watch a BBC programme on iPlayer 'I'm an alcoholic: Inside recovery' which isn't an AA production, not completely flattering but not controversialist either! If students have any questions in advance of the session, they can email Mrs Orton (k.orton@staidans.co.uk), we will anonymise them and address them towards the end of the session.

Maths Drop-in Session

There is a Maths drop-in session Wednesday Period 4 with Mrs Mooney in Ma6.

Year 13 Geography Revision

Every Monday lunchtime from 12.40-1.30 in Gg1 (St Aidan's). Focus on exam technique. All Year 13 Geographers welcome. Bring lunch with you or eat before.

Information Evening Thursday 19 January

Students who stay in school after 3.30pm, usually in the Library, Study Centre or Café or anywhere else, will have to go to DL1 on 19 January please, as all the other areas are closed to enable school to get ready for the Information Evening. There will be supervision until 5.00pm when students should please leave promptly.

Parking in the local area

It is important that we maintain good relationships with our neighbours, the local residents and we hope that you will be able to help us in this.

Concerns have been raised recently about students parking partially on pavements (making it difficult for pedestrians to pass, especially if they have a pushchair or are in a wheelchair) and double parking, i.e parking opposite another car, (making it difficult for residents to access their driveways or for wider vehicles to pass). This is particularly a problem on Wheatlands Road East. Therefore, if you park there, please avoid blocking or partially blocking the pavements, make sure that driveways are clear and do not double park. Residents will contact the police if cars are parked without consideration and are causing an obstruction. Thank you for your co-operation.

Thank you
