w/c: 1st May

## Careers Evening - Feedback from Exhibitors

Thank you to all our students and parents/carers who attended our Careers Evening last month. We received some wonderful feedback regarding our students from the exhibitors, which we wanted to share with you:

'You've got a great group of students who seemed very switched on and confident.'

'You clearly have very engaged young people and parents. I thoroughly enjoyed meeting them all and chatting about what we do and what we can offer.'

'I would only have positive feedback to provide, I thought the students were great... had excellent questions and seemed really engaged.'

Below is a selection of opportunities offered by Universities, Colleges, Employers and Apprenticeship Providers. **Please check with your Senior Tutor if you would like to participate in any of these events and there is a clash with your lesson time.**

## Higher Education

- [Graduate Careers Live!](#) High Fliers Research, available on catch up until 31 May

This special programme features the latest research on today's graduate job market, the universities & degree courses that lead to successful graduate employment and what employers offer to new graduates. Click [here](#) for the link on YouTube.

## Employment and Apprenticeships

- Degree Apprenticeship Opportunity, [Waterman Group Plc](#), Leeds based, End of August start date

[Waterman Group Plc](#) are a multidisciplinary engineering and environmental consultancy, who are looking for Year 13 students interested in pursuing a [Level 6 Building Services Design Engineer Apprenticeship](#). Click on the link for more details.
