

## Reapplying to UCAS for 2024 Entry

### Check course choice:

Check with your chosen universities that you have met their minimum entry requirements. If you are applying to do resits, check they will accept these and if the requested grades will remain the same or will be higher.

### UCAS Apply:

- Register using school buzzwords: ***staidans2024*** or ***stjohnfisher2024***
- If you are re-sitting exams, please note:
  - Enter the grade(s) already gained in August 2023
  - Add the institution code for your resits, e.g., for the Associated Sixth Form, centre number 48239
  - Add course dates for resits of September 2023 to June 2024
  - Tick studying part time
  - Add in the subjects you are resitting with a date of August 2024 and grade as pending

### References:

Please email the Sixth Form office at either St. Aidan's or St John Fisher to let them know that you are reapplying and contact your Senior Tutor to request a reference for you. It would be helpful to detail within this email anything significant that you have done since your last UCAS application together with your plans for your gap year. Send this to:

Mrs Roberts, Sixth Form Administrator at St. Aidan's on [associatedsixthform@staidans.co.uk](mailto:associatedsixthform@staidans.co.uk)  
or

Mrs Mackinnon, Sixth Form Administrator at St John Fisher [6thform@sjfchs.org.uk](mailto:6thform@sjfchs.org.uk)

### Book a careers appointment:

We can offer you **one** appointment to help with course/university choices and offer advice on your personal statement – please bring a hard copy of your UCAS application form to your appointment.

### Deadlines:

You **must** adhere to the school's UCAS deadlines and submit a completed hard copy of both your UCAS form and application cover sheet (available on the school website) to the Careers Department to ensure your application is processed.
