

Confirmation & Clearing 2023

The student journey

UCAS

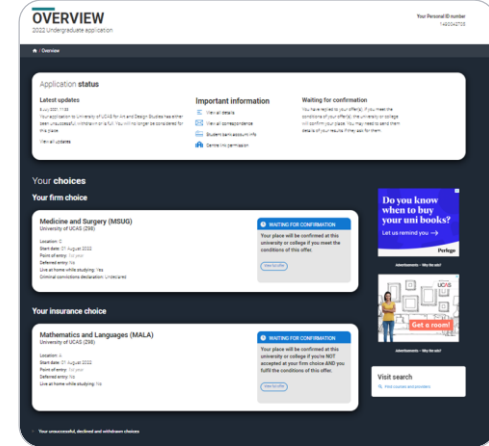

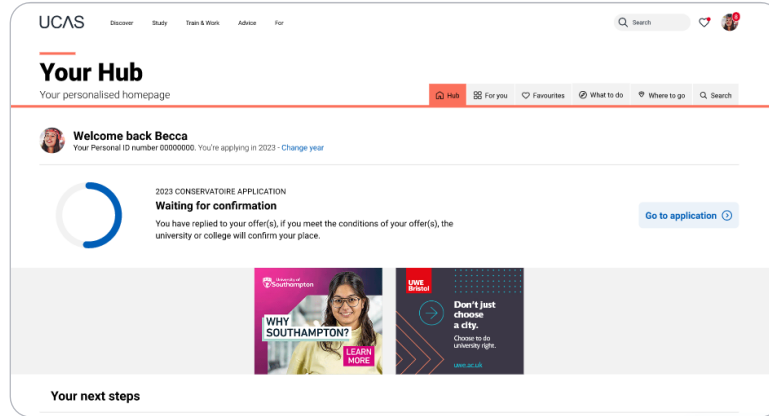

Last updated 18/04/2023

Waiting for confirmation (from July 5)

If you have submitted an application, and accepted Conditional offers, you will see **Waiting for Confirmation**, whilst universities and colleges confirm their qualifications and other entry criteria.

If you select **Go to application** the firm and insurance choice will also show a blue **waiting for confirmation** banner.

2023 UNDERGRADUATE APPLICATION

Waiting for confirmation

You're waiting for confirmation of your choices. If you meet the offer conditions, the university/ college will confirm your place. Send them your results if requested.

Find a course in Clearing (from July 5)

If you have no offers and are not waiting for any decisions, or have declined any offers you have received, you will see you have not been placed at firm or insurance choices. From here you can search for courses in Clearing.

You must discuss their choice with the university or college first, and only add a Clearing choice if the university or college has advised them to.

Making an application direct to Clearing

If you have not started an application for 2023 you will be able to start a direct to Clearing application. All sections, including a personal statement and reference, should be completed.

You will need to submit your application without any choices and then add your Clearing choice.

If you started your application and added choices to it before 30 June, these will be removed from the application if it is submitted after 30 June.

Unconditional change of course

You may be offered an unconditional place with substantial changes to the original choice. This usually happens if you didn't meet your conditions, but the university or college wants to offer you a different course, start date and/or point of entry.

You should check the details in the application, and must reply to the offer. If you have any questions or concerns about the change, you need to speak to the uni or college to find out why they've made this change.

2023 UNDERGRADUATE APPLICATION

You've been offered an unconditional place with substantial changes to your original choice.

You can only reply to this offer once both your firm and insurance have made a confirmation decision.

If you have submitted your undergraduate and/or conservatoire application, the provider may not have been able to make a confirmation decision due to outstanding conditions.

This could be because you have not yet supplied proof of qualifications or other entry requirements.

There may be a reason given to explain why the conditional offer hasn't been confirmed yet.

If you have any concerns you should contact your university or college to discuss.

Adding a Clearing choice

You can add a Clearing choice from:

- 10:00 on SQA results day*.
- 13:00 on JCQ results day*.

*All timings are UK time

Adding a Clearing choice (Step 1)

Your **courses**

Add a clearing choice

► Your unsuccessful, declined and withdrawn choices

To add a Clearing choice you must have permission from the university or college to do so.

Ensure that you have contact the university or college and they have told you to add their courses as a Clearing choice. If you don't do this, your application may be delayed.

Once you've added your Clearing choice, you will not be able to change it until the university or college has made a decision. If you are accepted, you will be firmly committed to that course.

I have permission

I don't have permission yet

Adding a Clearing choice (Step 2)

UCAS

You should only add a Clearing choice once you have permission from the university or college.

You need to enter the course details by the date the university/college have given you.

Enter course details

University/college name *

Course *

Course code: MS12
Course details: Ordinary degree

Location *

Start date *

Point of entry *

This tells the universities and colleges which year of the course you want to start, e.g. point of entry one is the first year of the course. If you wish to start in the first year of the course leave the box blank and you will automatically be considered for the first year. Enter 0 if you intend to take a foundation year – not all universities offer a foundation year so please check before applying.

If you've spoken to your chosen university or college and they are willing to consider your application to start the course after the first year, please enter the relevant number for the year, e.g. second year = 2, third year = 3, etc.

your place in Clearing

Only one Clearing choice can be added at a time.

If the university/college does not accept the Clearing choice (Unsuccessful) or you choose to use 'Decline my place' after Clearing choice has been accepted, then you'll be able to add a new Clearing choice.

University/College Supplied Code

If the university or college has supplied you with a specific course code for a course available in Clearing, you must enter it using this option.

This may be the case for competitive courses where vacancies are rare and usually filled quickly.

The screenshot displays the UCAS Clearing application interface. At the top, the 'Application status' section includes 'Latest updates' (dated 17 May 2023, 10:16) and 'Important information' with links to 'View all details', 'View all correspondence', and 'Bank Status Codes'. The 'Clearing Open' section states the user is in Clearing with number 000016 and provides a link to 'Find a course in Clearing'. Below this, the 'Your courses' section features a large blue button with a plus icon and the text 'Add a clearing choice'. To its right, the 'University/College Supplied Code' section is highlighted with a green border; it contains the instruction 'If a university/college has given you a code for a course, add it here.' and an 'Add course code' button. At the bottom, a link for 'Your unsuccessful, declined and withdrawn choices' is visible.

Decline my place (Step 3)

If you use 'Decline my place' you will then enter Clearing.

You will be able to apply for another course through Clearing or view your matches in Clearing Plus.

The screenshot displays the UCAS application dashboard. At the top, the 'Application status' section shows 'Latest updates' with two 'New offer!' notifications from the University of Bristol. To the right, 'Important information' includes links for 'View all correspondence', 'Student bank account info', and 'Centre link'. Further right, the 'In Clearing' section states that the user does not have a place at any of their choices and provides a clearing number of 000 000, with a link to 'Find a course in Clearing'. A yellow information icon and a 'Your Clearing matches >' button are also present.

Below this, the 'Your courses' section features a large blue button with a plus icon and the text 'Add a clearing choice'.

The 'Clearing choice - Unsuccessful, declined and withdrawn' section lists two entries:

- CCOA - Single campus (C001)** (University of UCAS (297)): Location: Main Site, Start date: 01 September 2022, Point of entry: 1st year, Deferred entry: No, Live at home while studying: Yes. A status box indicates 'X DECLINED' with the message 'You declined this offer'.
- Accounting and Finance (with integrated foundation year) (N40F)** (Aberystwyth University (A40)): Location: Main Site, Start date: 26 September 2022, Point of entry: 1st year, Deferred entry: No, Live at home while studying: Yes, Further details: test. A status box indicates 'X UNSUCCESSFUL' with the message 'You have been unsuccessful in your application' and a link to 'View correspondence'.

At the bottom, a third entry for 'CCOA - Single campus (C001)' is partially visible with a status of 'X UNSUCCESSFUL'.

On the right side of the dashboard, there are three promotional banners: 'Introducing the direct contact service' with a 'Find out more >>' link, 'GET READY FOR UNI WITH UCAS STUDENT DISCOUNTS', and a 'Visit search' section with a link to 'Find courses and providers'. At the bottom right, there is a 'University/College Supplied Code' section with a note about adding codes and an 'Add course code' button.
