Year 11 GCSE Results

Dear year 11 parent/carer

We hope that you are well and enjoying a pleasant summer. Please can we take this opportunity to pass on our congratulations and thanks to all the students in year 11 who performed and behaved with incredible maturity throughout the examination period. It was a long and challenging time for them, and we felt that they showed immense courage and resilience throughout.

Now that the GCSE exams have been completed, we can turn our attention to GCSE results day. This is Thursday 24th August and will be 'in person' with St. Aidan's staff available to deliver results to students from 9.15am - 11am in the Main Hall.

The results can also be emailed to a students' school email account on request. Results can be emailed to a different account if required, please contact Mrs T Mahoney, (GCSE Exams Officer) directly by Thursday 13th July 2023 using: t.mahoney@staidans.co.uk
Please be aware that results will be emailed later in the day after the in -person collection has finished.

Students may nominate an adult to collect their results on their behalf if they are unable to collect in person. The nominated person must bring photo ID with them. Students cannot collect another student's results.

Please contact Mrs T Mahoney, (GCSE Exams Officer) directly by Thursday 13th July 2023 using: t.mahoney@staidans.co.uk

Results envelopes that are not collected will be posted to your home address at the end of the day on Thursday 24th August. Please can we ask that you update any changes of address before the end of term with our school office.

If you have a query regarding your GCSE results, there will be details inside every results envelope about the process for reviewing results and deadlines. Details about Post Results Service will also be available on the school website via the link below once dates and fees have been confirmed by the Exam boards.
