

KS4 Careers Department Notices

July 2023

Year 10 Careers Morning - Monday 17th July

On the last Monday of term, we will be hosting guest speakers and workshops during the morning, as part of the Year 10 off timetable day. Students will attend three different sessions in their form groups:

- **ASK apprenticeships** will focus on the skills and qualities employers are looking for, as well apprentices from **Nestlé** giving a Q&A session.
- **HSBC** are hosting a workshop on financial literacy and money management.
- **Form tutors** will lead a careers session based on the future of work and look at online resources, to help start thinking about navigating future choices and understanding the skills needed to support this.

Year 11 Update

We wish all our Year 11 students the best of luck in their future! We have really enjoyed working with you all.

The Careers Department will be available on results day, Thursday 24th August, for any advice and guidance regarding your next steps.

If you would like any help surrounding your post 16 plans, whether it be Sixth Form, College or Apprenticeships, please contact us on careersstaff@staidans.co.uk or call 01423 818534.

*Good
Luck!*

Higher and Further Education

- **[Social Science Event](#), Leeds City College, 10-13 July, 1-3pm each day**
Open to prospective students and their parents/carers. Tutors from all departments (Health and Social Care, Education and Childcare and Public Services) will be there to talk about the courses they offer, as well as giving examples of activities that give a great insight into the courses on offer. Click [here](#) to sign up for this event. (**Opportunity for Year 11 students, as these events take place during the school day**).

Extra Curricular and Virtual Opportunities

- **[Virtual Classroom events](#), PwC, 13 & 18 July, 5.30-6.30pm**
Looking ahead to your career options, online classroom events from PricewaterhouseCoopers (PwC). Sessions are designed to support students, in Years 10 and upwards, in understanding the options available to them after leaving school or college. Events on [Degree Programmes](#) (13 July) and [Apprenticeships](#) (18 July). Click on the relevant links to register.
- **[Online Digital Camp for Girls](#), University of Oxford, 14 July**
Online event for Year 11 girls to connect with professionals and mentors to learn about opportunities in the world ahead, and to start building digital, sustainability, and leadership skills this summer. Click [here](#) to register.
- **[North Region Collaborative STEM virtual work experience](#), Engineering Development Trust, 25-27 July, 9-4pm each day, **Deadline 14 July****
Gain valuable insight into STEM opportunities in the North of England with organisation such as Capita, John Crane, Cargill and Siemens. Students will have a chance to interact with different STEM professionals and have the opportunity to work on a variety of research and career focused activities. Click [here](#) to apply and work towards your Bronze Industrial Cadet's accreditation.
