Peripatetic music lessons

- If you already learn an instrument at school with a North Yorkshire County Council Music Service, it is very easy to continue. Your name should appear on one of our timetables in the music department see your music teacher if it does not.
- If you would like to have lessons in school, then please go to the Music Department page of the school website, where you will find links to all current music lessons that are taught in the department.
- If you would like to start learning an instrument at St. Aidan's, go to the website or just ask your class music teacher. 'Start the music' funds six students each year to learn a new musical instrument.
