

Virtual Work Experience & Career Insight Opportunities

In recent years, many companies have created excellent, live and 'on demand' Virtual Work Experience opportunities, giving students access to professionals working with some of the UK's largest companies and nationally recognised organisations. Before placements are advertised to students, checks are made to ensure all providers have appropriate safeguarding procedures in place.

Listed below are details of opportunities across a wide range of career sectors – updated weekly. Please contact Mrs Farrar - m.farrar@staidans.co.uk or the Careers Department – careersstaff@staidans.co.uk to advise us of your participation and for any further guidance.
