You are also welcome to book a careers appointment to support vacancy searches and applications.

Procedure for Sixth Form Work Experience—term time placements only

In the Associated Sixth Form we encourage students to undertake up to 5 days of in-person or virtual work experience. The process for authorising this is:

- Collect the work experience paper consent form from the Sixth Form Office
- Fully complete the form, obtaining the necessary signatures
- Return your form to the Careers Department
- You will then be sent an online form to complete with further details of your placement

Please note the following:

- **BOTH FORMS** must be submitted at least **TWO WEEKS PRIOR** to the placement start date
- Failure to comply may mean we are unable to authorise your placement

Contact the Careers Department for help or further details.
