Dear Parent/Guardian,

**HOME TO SCHOOL TRANSPORT: RENEWAL OF HARROGATE/RICHMOND/ RYEDALE/
CRAVEN AREA SERVICES**

The Council's Integrated Passenger Transport Team is responsible for arranging home to school and public transport services across North Yorkshire.

We review all contracts on an area by area basis and I am writing to let you know that all mainstream school taxi and bus routes in the areas listed above have been reviewed and will be re-tendered in the near future.

New contracts will be implemented in April 2024.

We are hoping that there will be minimal changes to routes but it is possible that there will be some changes to operators. Where that is to be the case we will make both schools and parents aware beforehand.

Yours faithfully

A handwritten signature in blue ink that reads "Nicky Moseley".

Nicky Moseley
School Transport Officer
