

Year 12 Careers Tutorials

We have enjoyed meeting with Year 12 students this week during tutorials designed to provide an overview of post 13 options and the actions to take during the remainder of this academic year to support future applications. For those students who were not able to attend, you can view the presentation [here](#) or by contacting your tutor. Those students who now wish to get started on their individual research can use the resources on the careers section of the school website [Careers - Sixth Form - Higher Education - St Aidan's \(staidans.co.uk\)](#).

Careers Appointments

Please note that from the week commencing 13 November we will be able to meet with students for individual appointments in both the Careers Department meeting rooms in Bede at St. Aidan's and the Careers Department meeting room in the T2 area at St John Fisher. If you would also like to book an individual careers appointment to discuss your ideas in more detail, you can email us with details of when you are available at careersstaff@staidans.co.uk. You will be advised of the location of your meeting at the time of booking.

Year 12 Work Experience Reminder
