

Careers Department Notices

W/e 24th December 2023

The Careers Department have enjoyed working with you all this term to support your future aspirations, conduct research and make informed decisions about your future. Enjoy your Christmas break and we will be back to support you all further next term.

Extra Curricular and Virtual Opportunities

NB: if you would like to attend an event during lesson time, you must submit a Formal Request for Work Experience form.

- **Engineering Evening Event, Nestlé, York, 18 Jan 17.00-19.30pm**

A rare chance to see behind the scenes at the world's largest food and drinks company. With a focus on Engineering, Nestlé will be showcasing what it's like to be an engineer in their fast paced environment through attending presentations and participating in workshops. Register here <https://www.surveymonkey.com/r/T5W6JNR>

- **Labcorp Work Experience Programme, Harrogate, Summer 2024**

Applications are now open for work experience placements in Science in Industry and Histology. Placements are in high demand therefore early application is essential. Click on the above link for further information on the application process. The application form can be found [here](#).
