Year 13 online interviews

As we do not use Zoom in school and are extremely short of quiet, individual office space we would kindly request that students conduct online interviews from home, informing school via attendanceofficer6thform@staidans.co.uk. In situations where it is not possible for students to find a quiet space away from the school building, we would ask that they speak to the Careers Department at least a week beforehand to see if a space in school is available.

Debating Club

Debating Club is a vibrant, lively and enjoyable place to develop invaluable public speaking skills. These skills will enhance university applications and employment potential. No previous experience is required. All welcome. Bring a sandwich to Hu1 from 12:30 every Monday.

Year 13 A Level Maths Drop-in Sessions

Every Wednesday P4 Mrs Foster will be running a drop-in session for Year 13 A-Level students. She will be focussing on a different topic each week. There is a full programme of topics on Teams (Year 13 - Resources tab) but we'll be happy to change it if/when we get any requests from students.

Biological Sciences Enrichment

Biological Sciences enrichment is on Friday 12.30 - 1.10 in Bi 1 - for all applying to Biological Sciences or related courses and likely to have offers of A*. This is aimed at Yr 13 students hoping to study Biology or related courses like Biochemistry or Physiology. If you are likely to be asked for an A* grade in your offer, then this will support your endeavours.

Year 13 Yearbook photos

Mrs Caine will be coming into Year 13 forms on the following dates to take individual head shot photos for the Yearbook. If you are late and miss her we will use your lanyard photo instead:

During the rest of the week (Weds 17 Jan until Friday 19 Jan at break and lunchtime), Mrs Caine will come into the Sixth Form communal areas and take group shots to go in the Yearbook.
