April 2024

Dear Parent/Carer,

Year 10 Geography GCSE Fieldwork to the Holderness Coast (Hornsea and Flamborough Head) **Wednesday 5 June 2024**

On Wednesday 5 June 2024, our Year 10 Geographers will be undertaking the second of their Geography fieldwork days on the Holderness Coast. The fieldwork undertaken is essential for students who are studying GCSE Geography as they will sit an exam on the work they do in the field.

Pupils will depart after registration and travel to and from the Holderness Coast by coach to visit the seaside town of Hornsea where they will complete fieldwork. They will also travel to Flamborough Head to support the work they have done in class on coastal landforms and processes. Students will work in small groups around Hornsea and although staff will be checking in on students, and close by, they will not be directly supervised at times. Pupils will know how and where to always contact a member of staff.

Pupils must wear sensible outdoor clothes as the day is entirely spent outdoors in some exposed locations; this includes trousers or shorts (not jeans) and sturdy shoes (PE trainers or walking boots). A waterproof jacket and sun hat are essential. Students should also have sun cream. Students can leave spare clothes on the coach if the weather is better than expected.

Students **must** bring a packed lunch. There may be an opportunity to buy a snack or a drink, and students may bring a small amount of money to account for this, but they are encouraged to bring plenty of water and enough food in their packed lunch to sustain them.

Please note, we will not return to school until approximately 16:30-17:00.

The cost for the trip is £12.00. Payment is via **ParentPay** and the trip is now showing on your account. By making payment you are giving consent for your child to attend, agreeing to the cost, and confirming that the medical records we hold at school are correct.

The deadline for this payment and consent is 26th April 2024.

If your son/daughter's medical details indicate that they need medication such as inhalers or antihistamines, please ensure that they bring them on the trip, otherwise we will be unable to take them. If they no longer require this medication, please advise school in advance.

Headteacher: Mrs S Dover

CHURCH OF ENGLAND HIGH SCHOOL

Excellent behaviour in school is a prerequisite of attendance as students are being trusted to represent themselves and us in the best possible manner.

Kind regards,

W. Normington
