CHURCH OF ENGLAND HIGH SCHOOL

15<sup>th</sup> April 2024

Dear Parents/ Carers,

## **Safeguarding Parents Evening**

To focus on Safeguarding and the risks young people in our local community face, we have a comprehensive PSHE programme in place for all year groups including tutor time lessons and “drop-down” days which focus on specific issues. We also have a weekly assembly slot for PSHE where we inform students about safeguarding risks in the local area. This often has guest presenters who can give an expert view on specific issues. We would value sharing this information by inviting you to a Safeguarding Information evening on Monday 29<sup>th</sup> April. This will be between 6.30pm and 7.30pm in our Main Hall.

Martin Powell (School Liaison Officer for North Yorkshire Police) will share two presentations he has given to students so you can be aware of the messages we share with our young people as well as helping to raise awareness of safeguarding issues in the local community. I will also give a short presentation about some of the other topics we share in our PSHE lessons and give you an insight into some of the challenges which I believe our students face and how as parents/ carers you can support your child.
