CHURCH OF ENGLAND HIGH SCHOOL

10<sup>th</sup> May 2024

Dear Parent/Carer

## Year 9 Examinations

The Year 9 examination period will commence on Monday 10<sup>th</sup> June.

Assessments will take place during normal timetabled lessons in the following subjects: Science, RS, Modern Foreign Languages, History, Geography and RS. These assessments will take place in the week commencing 10<sup>th</sup> June. On Thursday 20<sup>th</sup> June all students will sit a Maths and English exam in the sports hall under formal examination conditions. Other subject areas will have assessed students recently and will not set an additional test during this period.

Students will be informed by their class teachers in the coming weeks when their assessments are and what they will need to revise in order to prepare for them; please also refer to the timetable attached for the Science and Humanities schedule. Preparation for the assessments will be supported by some work on revision planning and techniques in assembly and tutor times.

We hope that this assessment period will begin to prepare our students for the rigours of revising for and sitting a number of exams as they will do when they sit their public exams in Year 11, as well as giving them their first experience of working in a large examination hall with their peers.

Please do not hesitate to get in touch should you have any questions about any of the above.

Yours faithfully

Mrs C King (Assistant Head, KS3)

Mr P Alker (Head of Year 9)
