

Art Clubs 2024-25

A collection of various art brushes and paint containers scattered on a textured surface. The brushes have different colored bristles (blue, green, yellow, red) and wooden handles. Some are lying flat, while others are standing upright. There are also some paint containers, including a small jar with red paint and a larger one with blue paint. The background is a mix of colors and textures, suggesting a workspace or a display of art supplies.
