Student Conduct

Students will be expected to behave in the same way they would in school. Any incidents involving alcohol, drugs or smoking will result in the student being flown back home.

Student Kit

Please make sure you bring towels and sun cream. A raincoat is advisable, as well as sensible walking shoes. Luggage allowance includes a small cabin bag and a 15 kg hold bag.

Medication

It is the student's responsibility to ensure all medication they require is brought with them. Any specific medication such as inhalers will need to be shown to a member of staff before the student is allowed to get on the coach.

Passports and GHIC

Please remember your passport on the day of the trip.

GHIC cards must be brought in to Mr Wilson by 14th July. He will keep the cards until the trip ends.

Spending Money

It is recommended that students will need no more than about 100 Swiss Francs. Please consider using a bank that allows free foreign payments and cash withdrawals.
