

Sixth Form and Careers Notices

Week commencing 21st July 2025

General Notices

- **Wednesday 3rd September** is the first day back at school. Please meet in **Constance Green Hall** at **8.45 prompt**.
- Thank you to students for their outstanding conduct throughout the year. We are delighted that, as a year group, Year 12 attendance has been **94%**. A reminder to all students and parents/carers that attendance of 90% and under is classed as persistent absence and the impact on outcomes and performance cannot be underestimated. We look forward to seeing you in September for Year 13.

A-Level Results Day: Thursday 14th August, from 8.00, Constance Green Hall

You can collect your A-Level results from 8.00 in Constance Green Hall.

The Careers Team will be on-hand to help you navigate your results whether you achieved the grades you were hoping for or whether you are looking for help and advice on next steps, we can help.

If you have had a change of heart on your choices or if you want to reassess your options, we can help you explore all of your options. We can give advice on the [Clearing process](#), the option of Gap Years and much more. Click on the link for more information about Clearing.

Come and speak to us on the day or email careersstaff@staidans.co.uk. This email will be monitored periodically throughout the holidays and we will do our best to get back to you as soon as possible.

Friendly Reminder To All Year 12 Students

Just a further reminder to all students for over the summer holidays to engage in enrichment activities that will support your post 18 applications. Please remember the most important part of engaging in super curriculars, wider reading and enrichment activities is to reflect on what you have learnt and gained from these experiences. Some of the common resources we signpost students too are below:

[Alison | Free Online Courses & Online Learning](#)

[The home of free learning from the Open University | OpenLearn - Open University](#)

[Gresham College](#)

[Virtual Experience Search | Springpod](#)

[Virtual Work Experience Programme - Online Opportunities](#)

Also any students interested specifically in **Law** there is a two day summer virtual work experience with Lloyds Banking group, 29th-30th July, 10.00-14.00. Click [here](#) to register your interest.

Good luck and enjoy the summer break!
