

## St Aidan's and St John Fisher Associated Sixth Form

Centre No: 48239

14 August 2025

Dear Student

We hope that you have been successful in your examinations! The following information may be useful to you following the receipt of your results.

### Queries following the issue of results

Your subject teacher may be able to provide assistance in interpreting your marks but is not obliged to do so. Please note that you are not allowed to contact the awarding bodies directly.

Mrs Humphrey will be available, in the Sixth Form Office at St Aidan's, **on Friday 15, Tuesday 19 and Thursday 21 August between 9.30 am and 12.30 pm** for any **urgent queries** regarding results. She is only available to help with review of marking, access to exam scripts and similar queries; she is not able to help with decisions re progression to university etc. Please note that it is not possible for students to repeat Year 13 in order to re-sit Level 3 qualifications but some written exam units are available to students wishing to be entered as private candidates in June 2026 (see over).

### Enquiries about Results for Level 3 qualifications

Enquiry about Results request forms are available from the Sixth Form Office and on both school websites and must be returned to Mrs Humphrey by the following deadlines:

**12 noon on Thursday 21 August for requests for Priority Review of Marking**

**12 noon on Thursday 28 August for Priority return of exam scripts.**

**12 noon on Thursday 25 September for requests for non-priority Review of Marking.**

**12 noon on Thursday 25 September for requests for standard non-priority return of exam scripts (or Friday 24 October (AQA only))**

If you wish to have your exam paper reviewed, you must pay for it yourself – fees are given in the table overleaf.

**It is important to realise that marks and grades are not always raised as a result of a review of marking; they can be confirmed or even lowered.** If the overall qualification grade is raised a refund will be issued; no refund is given if the mark is raised but the original grade is unchanged.

The options to choose from are:

#### **Service 1: Post-results Clerical Re-check**

This is a re-check of all clerical procedures leading to the issue of a result. This service will include the following checks:

- that all the pages of the exam paper have been marked
- that all the marks on the exam paper have been counted
- the overall result issued matches the marks on the paper
- **If requested**, a copy of the re-checked exam paper

The outcome of the re-check will be reported along with a statement of the total marks awarded for each unit, or component, included in the enquiry. Only Service 1 clerical re-checks can be requested for objective tests (multiple choice tests).

The target for completion is within 10 calendar days of the awarding body receiving the request.

**Deadline Date: 12 noon on Thursday 25 September 2025.**

#### **Service 2P: Post-results Priority Review of Marking**

NB: This service is only available for Level 3 qualification **students whose university or other higher education places depend on the outcome.**

As for a non-priority review of marking (Service 2), the exam paper is reviewed and checked by a second examiner; however, you will receive the outcome sooner. The target for completion is within 15 calendar days of the awarding body receiving the request.

**The deadline date for this service is 12 noon on Thursday 21 August 2025; please do not ask for a copy of the script first as you will miss the priority review of marking deadline.** If you would like a copy of the reviewed script, please ask for this at the same time.

#### **Service 2: Post-results Review of Marking**

This service is available for externally assessed components of both unitised and linear specifications and will include:

- the clerical re-checks detailed in Service 1
- a review of the paper by a second examiner to identify genuine marking errors or unreasonable marking.
- **if requested**, a copy of the reviewed exam paper

The target for completion is within 20 calendar days of the awarding body receiving the request.

**Deadline Date: 12 noon on Thursday 25 September 2025.**

### Access to Scripts (Exam Papers)

#### **Priority pdf photocopies**

You might wish to obtain a **priority copy of your marked script (exam paper)** before deciding whether to request an ordinary, **non-priority** review of marking. To do this, you should collect an "Access to Scripts" form from the Sixth Form Office or download from the school websites and ensure this is completed and handed back to Mrs Humphrey, with the required fee *per script* (see table below). However, please note that priority scripts may not be available before the deadline for a priority review of marking and therefore students whose university place in October 2025 is dependent upon the outcome of a review of their paper must request a priority review of marking in the first instance.

**Deadline date for applying for priority scripts: 12 noon on Thursday 28 August 2025.**

The Exam Boards generally send electronic versions of the scripts and these will then be emailed to your school email account so please check your school emails for notification of receipt. If, upon receipt of the script(s), you wish to apply for a review of marking you then have until **12 noon on Thursday 25 September 2025** to apply for a non-priority review of marking.

#### **Standard Non-Priority pdf photocopies**

If you wish to, you may have a **standard non-priority pdf copy of your exam script(s)** returned from the awarding bodies. To do this, you should collect an "Access to Scripts" form from the Sixth Form Office or download from the school websites and return it to Mrs Humphrey with the required fee *per script* (see table below). The pdf copy script(s) will be emailed to your school email account.

**Deadline date: 12 noon on Thursday 25 September 2025 or Friday 24 October 2025 (AQA scripts only)**

### **Enquiry about Results for GCSE English and/or Maths**

Results for these qualifications are available on **Thursday 21 August** from the Sixth Form Office at St Aidan's and students have until **12 noon on Thursday 4 September** to request a priority script or **12 noon on Thursday 25 September** to request a review of marking.

### **Re-sitting Level 3 exams**

It may be possible for you to re-sit a written exam unit in June 2026. Re-sit forms will be available from either St Aidan's or St John Fisher Sixth Form Office in October 2025. Remember all re-sit fees must be paid with application forms by **Friday 12 December 2025**. Candidates who are no longer on roll with the Sixth Form are required to pay **an additional administration fee of £30** per exam season and possibly for the cost of invigilation. **Please note that it will not be possible to resubmit coursework/NEA units but your marks for these units can be carried forward if you are re-sitting the whole A Level qualification.**

**NB: It is your responsibility to make your intentions clear to Mrs Humphrey before the published deadlines for re-sit entries.**

### **Certificates**

During the next academic year you will be invited to the Presentation of Certificates event at the school where you register. If you are unable to attend this, you or a representative will be able to collect your certificates from your Sixth Form Office at a later date. Please Note: Certificates are not awarded to candidates who obtain a "Fail" or "U" (unclassified) grade.

Whatever your plans, we wish you every happiness and success in the future.

K Orton  
Assistant Headteacher (SA)

R Tanner-Smith  
Director of Sixth Form (SJF)
