Any catering accounts **in credit by £5 or more**, will either be **transferred across to a sibling** or, **refunded back to the ParentPay account by the end of August**. The school's hardship fund contributes towards supporting students, who may be classed as disadvantaged or whose families are suffering from financial hardship; in ensuring they have opportunities to live life in all its fullness and embrace all that is offered by school.

Year 12 Notices

- Please can all students be reminded that even though there are lots of trips going on over the next few weeks, the expectation is to **turn up for every class in normal classrooms**.
- A reminder that the Great Yorkshire Show takes place from Tuesday 8th – Friday 11 July this year. Due to the considerable number of students in main school attending the event at both St Aidan's and St John Fisher on **Tuesday 8th** and **Wednesday 9th July**, it will not be possible to offer teaching in school for Year 12 students on these days. Therefore, we are directing students in year 12 to spend these two days doing the following:
 - Attend the GYS for one of the days to support the community in this important event
 - Visit Universities and attend open days to help to prepare for UCAS applications
 - Complete on-line courses and on-line work experience opportunities
 - Complete Core learning for their A-level subjects, posted on the class Teams by their teachers.

Both Schools will run as normal on Monday 7th, Thursday 10th and Fri 11th July.

NO YEAR 12 ASSEMBLY THIS WEEK
